### PAY FROM THE STATE.

IWENTY-FIVE PER CENT. WANTED FOR COLLECTING DIRECT TAX.

THE GOVERNOR'S AID INVOKED.

Son of Dr. J. J. Moran Alleges Agreement Between His Father and Gov. Holliday-The Governor's Pretty Caller-A Plea for Pardon.

Claim has been made for \$45,000, alleged to be due on the part of Virginia for the collection of the direct tax fund, paid by citizens of this State just after the close of the war between the States.

Governor Tyler yesterday received a letter from Mr. Ellis Moran, of Baltimore, asking information on the subject. He stated in his letter that his father, the late Dr. J. J. Moran, had entered into an agreement with Governor Holliday whereby the former was to receive 25 per cent. for collecting the direct tax fund due citizens of Virginia. Mr. Moran states that his father devoted many years of hard work to the collection of this claim; indeed, that his years were shortened by the labor expended in securing the claim. Dr. Moran received not a cent for his labor. His son asks the Governor to supply him with a copy of the agre ment between Governor Holliday and Dr. Moran, as he wishes to secure the amount of the claim. The direct tax fund has been collected and paid to the citizens to whom due. Under an act passed by the State Legislature, where the amount due an individual was unclaimed for any reason, it went to the road fund of the county where such person resided.

The claim of Dr. Moran's heirs amounts to \$45,000. Governor Tyler will request Attorney-General Montague to examine into the subject.
